Traffic Avoids Poor Road. It is not generally recognized by trade interests here that the fact is that a stretch of several miles of road between Brooklyn and Hampton is in such poor condition that much of the traffic is diverted from this place to Williamstown from Hampton and the territory in that vicinity, according to residents who live in that part of the country. The automobilists will follow the good roads and there are scores of automobile owners in the rural districts there.

SILVER HEELS WINS. J. Carl Witter's Pacer Leads in Three Heats at Oat Races at Brooklyn Fair Grounds.

Silver Heels, the big pacer owned by J. Carl Witter, won oats enough to last a conservative feeling horse all winter, when he won the race at the Brooklyn fair grounds Saturday afternoon. Approximately 300 people braved the chilly afternoon to witness what was really a worth while event. Bingus, Tyler Andrews' entry, finished second and Molburn, C. H. Michael's gray was third. Deacon B. won two heats and then, after his hobble snapped off was drawn. Henry King, George H. Call and George O. Thomas were in the judges' stand. They announced the time of the first heat at 2:23, but thereafter no time was given out.

The first heat went to Bingus, Silver Heels second, Molburn third. Deacon B. fourth. In each case the horses were driven by the owners with the exception of Deacon B., who was taken around under the direction of Joseph Bedford. After the first heat Mr. Witter turned Silver Heels over to Harry Myers, of the town of Plainfield, to drive. Silver Heels got the second heat, but the third went to Bingus. Silver Heels again came to the front in the fourth.

AGED KINGSTON WOMAN Tells How She Recovered Her Strength.

If the elderly people in Kingston could only realize what Vinol would do for them they would not be able to get enough to supply the demand. Following is a letter received from Mrs. A. E. Carson of this town. She says:

"I am 69 years of age, and had been ailing for a long time with indigestion. I got run down, was weak, dizzy and could not sleep at night. I consulted two doctors who said I had hardening of the arteries, and at my age could not expect to be strong again. My daughter would give me no peace until I tried Vinol as it had done so much for her. I have taken five bottles and my health and strength have come back so I am able to do all the housework for my family of four, and I am recommending Vinol to all my friends."

The reason Vinol is so beneficial to old people is because it contains the very elements needed to replace declining strength with renewed vigor, viz.: beef and liver peptones, iron and manganese peptones, glycerophosphates and a mild tonic wine.

We want to ask every elderly person and every Vinol user to call at our store and get a bottle of Vinol, with the understanding that we will return your money if it fails to benefit.

Injuries Affect William Colburn's Mind—Firemen to Have Roast Pig Supper—Democratic Jubilation Tuesday Evening—Franklin L. Knox Appointed Official Stenographer of Superior Court at Hartford.

William Colburn, badly injured in an automobile wreck at Wright's crossing in Pomfret several weeks ago, remains at the Day Kimball hospital. He was reported Saturday as improved in some respects, but his mind seems to have been at least temporarily affected on account of the nature of his injuries.

More than a score of big touring cars, bearing Massachusetts registration numbers, passed through this city Saturday morning en route to New Haven for the Brown-Yale game.

Roast Pig Supper. Members of Chemical company, No. 4, are to have a roast pig supper at their homes tomorrow evening. The menu is an elaborate one and has been arranged by William Fuller.

Advertising Campaign Planned. The merchants' committee of the Chamber of Commerce is to plan an advertising campaign that will be of benefit to the business men of the city, this work being in line with the program of the chamber.

Five Deaths in October. Town Clerk David Flag reports that there were only five deaths in the town of Putnam during October, and of this number three were non-residents. The death rate here was, therefore, exceedingly low.

Among other Greek and pranks that were pulled off by youthful celebrators, taking advantage of the democratic victory to let themselves out, was the hugging of a dilapidated old vehicle into the subway at the railroad station.

Members of Elizabeth Porter Putnam chapter, D. A. R., are to hold a regular meeting this afternoon at the opening of extra classes at the night school, in which there is expected to be a great deal of interest during the winter season.

Mrs. W. J. Bartlett leaves today on her trip to Washington, D. C., where she will be present during the week of the sessions of the national grange.

The special city meeting to pass upon the recommendation for an appropriation of \$3,000 for sewers in streets that have been dedicated is scheduled for tomorrow morning.

The silk industry, which is one of the principal industrial assets of this town, is said by manufacturers here to continue busy, although it is not up to the rush standard of a few months ago.

Boxing Bouts Arranged. Boxing promises to continue a favorite sport in Putnam during the coming cold weather season. Matchmaker Demers continues to arrange for weekly bouts, his next set, for Friday evening, bringing together the following pairs: Young Savin vs. Young Joslyn, Kid McKenna vs. Lee Shomme, Rock Lyon vs. Joe Kaminsky, Pettone vs. Battling Bone.

These bouts are bringing into the same squared circle boys from a number of the villages within a dozen or fifteen miles of the city. Each lad is in such poor condition that much of the rivalry that exists causes a "pup" to be injected into the various events.

Celebrators May Have Burned Building. A fire alarm was rung in just after Saturday entered on its first hour and the firemen who responded found that an old building on School street was burning. The building is near the P. G. Wright place and was last used as an icehouse by Ernest L. Davis. The theory is that the building was set afire by young men who had been out drinking and were looking for a few of those who were seen about during the evening and taking part in the celebration were of voting age. The fire, of course, may have been started in some other way, but the theory given found much credence here Saturday.

DEMOCRATIC DEMONSTRATION Planned for Tuesday Evening—Line of March Announced.

It was announced here Saturday that the democratic organization of the city has laid out plans for a big celebration for Tuesday night over President Wilson's re-election. The general heat and also in the fifth, which decided the race.

The race was spirited and the finishes were particularly good in two of the heats. Considerable money changed hands on the result. Tyler Andrews, who is now at the racing game, was highly complimented for the clever manner in which he handled Bingus. The race provided a good afternoon of sport.

SPECIAL COMMITTEE REPORTS Town Meeting, Also Special Town Meeting.

More than 100 citizens of Brooklyn gathered at the town house at Brooklyn Center Saturday afternoon to attend the adjourned town meeting, and also a special town meeting—two distinct and separate gatherings.

At the adjourned annual meeting the citizens listened to a report of a special committee of the town that has been investigating certain matters of town interests pertaining to keeping records, town expenditures, etc.

Action taken by this meeting included the passage of resolutions limiting the amount to be spent on highways during the present fiscal year to \$200. The selectmen will endeavor to have someone contract to do the road work within that figure, but in case no one can be found to take such contract the selectmen themselves are limited to \$200 as the maximum they can expend on highways. The high cost of road work in Brooklyn last year has led to closer scrutiny.

Several suggestions as to methods of keeping the town books were received and adopted and the tax rate laid at the annual town meeting, was reduced from 15 to 12 mills.

Lower Interest For Notes. At the special town meeting it was voted to empower the treasurer, and he was so instructed, to retire such outstanding notes of the town as are bearing a higher rate of interest than is possible to place the loans for at this time. It is understood that there are notes of the town aggregating \$12,000, now bearing interest at the rate of five per cent, that can be placed at a four per cent rate.

Professor J. R. Wasmuth acted as chairman at both the adjourned annual town meeting and at the special meeting.

## A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

IF PEEVISH, FEVERISH AND SICK, GIVE "CALIFORNIA SYRUP OF FIGS."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, its stomach, achache, diarrhoea, remember, gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged by the bowels, passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "Fruit Laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for the bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."

eral committee appointed to make the arrangements consists of Urie Beausoleil, Frank Dumas, Alexander Gilman and Joseph Lapaine.

The plans for the celebration include a big parade which will include a band and drum corps. The city will be ablaze with the glare from the cataracts of red fire that are to be on tap. It is expected that several hundred will be in line. Invitations have been sent to democrats in the Grosvenor-dales and at Danielson to come to the parade.

Up to Saturday, 27 had pledged themselves to join in a mounted squadron that will be up toward the front of the parade.

The live of march has been laid out. From Union square the procession will move to St. John's hall, Providence street, to Providence street, Marshall street, Woodstock avenue, Church street, to St. John's hall, where the parade will be dismissed.

The committee in charge has issued an appeal to residents along the line of march that they should be illuminated and the national colors displayed. In this respect the democrats are figuring on their republican friends who are good losers to join in the demonstration.

The following relative to Frank L. Knox, a graduate of Putnam High school, and who has acted as superior court stenographer here at different times, appeared in a Hartford paper of Saturday:
